Executive Summary

SIBLING Home & Kitchen

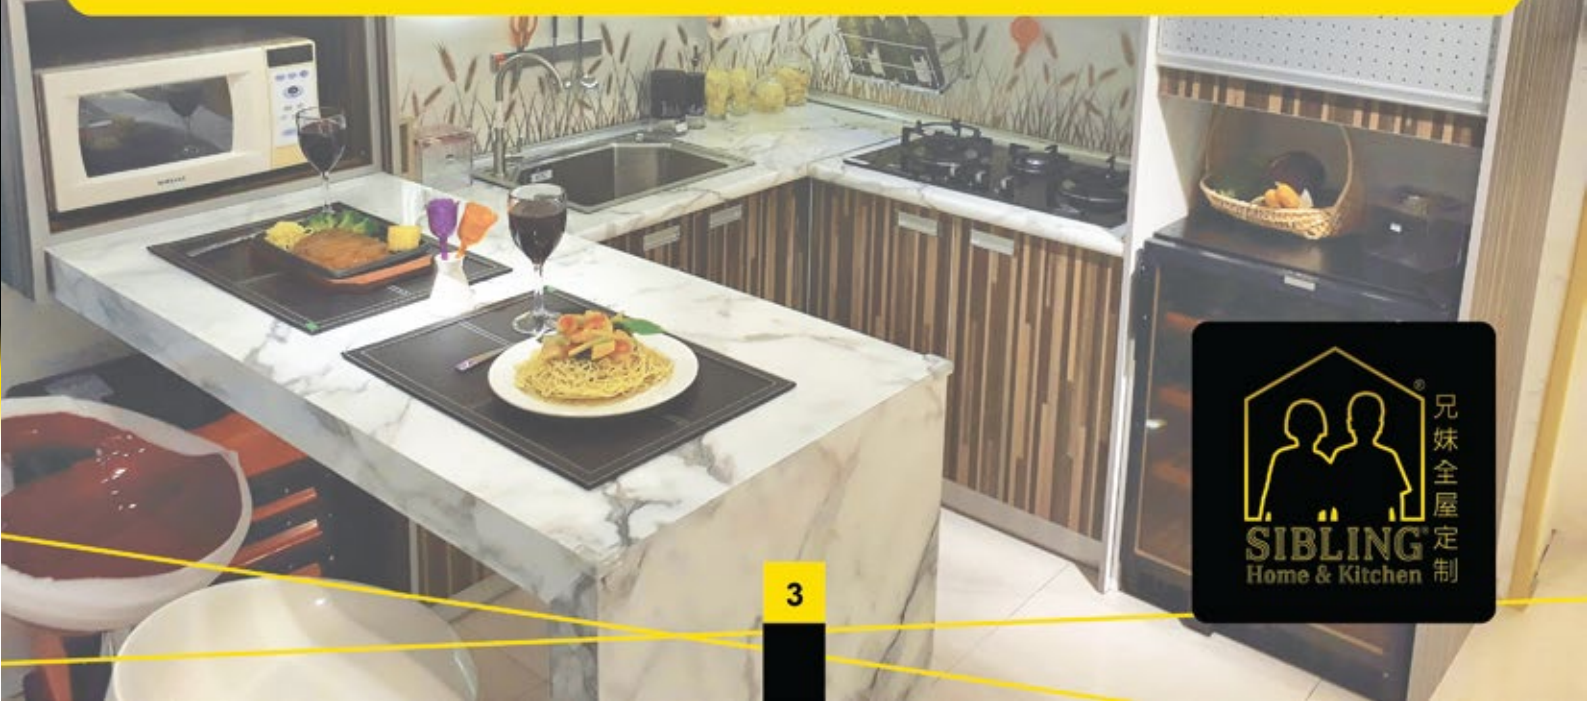

Established in 2016, located in one of the most tropical countries in the world, Sabah. SIBLING specializes in providing customers with the modern kitchen customizing techniques and materials with the most affordable prices.

Having assisting brands from SUTERA MEGAH SDN BHD and RUSTICA with over 30 Years of experience, we constantly seeking the best materials and products for customers home.

We act as a platform in being an all-inclusive renovation stop from design, technical construction and providing the best service to the customer. Thinking to every small detail on what's needed to achieve their home.

By choosing SIBLING we would be able to tailor make your home and kitchen into the personality you want it to be. With practically limitless options, your imagination is the limit. Making a unique household for the customers.

Offering services like no other, striving to provide the best service to our esteemed customers.

Mission STATEMENT

With our factory located in the island itself we provide the capabilities in servicing our customers at a faster turnover rate giving the reassurance they need to have their houses complete in time. Depending on the budget the customers provide we would be able to make their dream home come true whether if they just started their new home or home improvements.

We emphasize on promoting the best of kitchen culture in Malaysia by manufacturing and developing our very own products, which includes supporting our local Malaysian made products and importing internationally. Providing a wide range of diversity in designs.

We aim to build a long-term relationship with our esteemed customers by providing not only quality products but services as well.

We are future-proofing our business beyond traditional approaches to further cater the needs of our customers and clients.

With our purpose to be a leader in interior design by providing exquisite services, variety, quality, and affordability making our vision to provide quality services that exceed customer expectations. Constantly develop through creativity and innovation. We incorporate honesty, integrity, and business ethics in all aspects of our business.

Service Concept

Sibling Home & Kitchen provides a **ONE STOP SERVICE** that would help customers achieve their **dream home** come through. Covering in all different aspects to make your ultimate home.

- 1 Customers visit the showroom or our website siblinghomeandkitchen.com
- 2 Measurements are taken when visiting customers home.
- 3 Customers finalize the proposal with designers.
- 4 Production process are then manufactured in our factory.
- 5 Products are then delivered and installed.
- 6 Your Dream House is DONE !

Our Family brands

Sutera Megah Sdn Bhd

Was incorporated on the 19th December 1994 as a wholly owned bumiputra's Furniture Manufacturing Company and originally operates as furniture supplier to various Government Departments, Schools, Hotels and Commercial projects.

The company ventured into outdoor furniture markets relying on its own resources and expertise. The management of the company set up distributorship offices and sales networks throughout the region to promote and boost its products.

The company's products have achieved recognition from both of the local and international markets. It was the first of the line in starting the corporation and soon open 2 other stores in Borneo later on.

RUSTICA

Is a luxury brand with distinctive Europe sensibility, strong international recognition and differentiating brand values that resonates across a multi-generational and dual-gender a product line that was audience.
